6th September 1960]

Appendix I.

[Vide answer to Starred Question No. 81, asked by Dr. A. Chidambaranathan at the meeting of the Legislative Council held on 6th September 1960, page 3 supra.]

Principles adopted for Selection of High Schools for upgrading as Higher Secondary Schools.

1. Such physical facilities as accommodation, equipment and playground should be made available by the management to the satisfaction of the Director of Public Instruction.

2. Staff qualified to teach the Eleventh Standard should have already been employed by the management or the management concerned should undertake to depute, with the consent of the Director, the required number of teachers for the certificate and post-graduate courses conducted by the University of Madras in 1960–61 and 1961–62.

3. Region-wise needs for higher secondary education should be taken into consideration in the matter of selecting schools for the opening of Standard XI, taking into account the existing facilities for the Pre-University course in colleges in order to avoid duplication.

4. Facilities for Higher Secondary Education should be distributed fairly over the entire State, the rural areas receiving special attention. There are about 100 taluks in our State (excluding the City of Madras) and the programme to open Higher Secondary Schools by upgrading the existing High Schools in the course of the Third Plan Period should aim at providing each taluk with at least one higher Secondary School.

5. All types of managements should be represented, as far as possible, in the list of schools selected every year for being upgraded into Higher Secondary Schools.

6. If other things are equal, Model High Schools attached to the Training Colleges may be preferred for being upgraded.

Appendix II.

[Vide item IV (1) on page 47 supra.]

L.A .BILL No. 12 OF 1960.

(As passed by the Assembly.)

A Bill to regulate the publication of reports of judicial proceedings so as to prevent the publication of obscene or indecent matter and other matters the publication of which will not be in the public interest, in the State of Madras.

Whereas it is expedient to regulate in the State of Madras the publication of reports of judicial proceedings so as to prevent the publication of obscene or indecent matter and other matters, the publication of which will not be in the public interest,
